Fuel economy  
Increased cleanliness and decreased wear  
Maximum performance despite road conditions

Économie de carburant  
Moteur plus propre et moins d'usure  
Performance maximale malgré les conditions routières

Benson's own Element X brand has been expanded to include conventional 1L and 60L kegs of synthetic grades, including Dexos approved on 0W20 and 5W30.

**This high quality oil is offered at very competitive pricing and should be your first choice in the field.**

Entire line stocked at warehouse #30 and in the network. If you have questions, please contact Karen Felhaber ([kfelhaber@bensonorg.com](mailto:kfelhaber@bensonorg.com)).

La marque privée Element X de Benson inclut maintenant l'huile conventionnelle 1L et des réservoirs 60L de grades synthétiques, y compris du Dexos 0W20 et 5W30.

**Cette huile de haute qualité est offerte à des prix très compétitifs et devrait être votre premier choix pour les ventes d'huile.**

Ligne entière en inventaire à l'entrepôt #30 et dans le réseau. Si vous avez des questions, veuillez communiquer avec Karen Felhaber ([kfelhaber@bensonorg.com](mailto:kfelhaber@bensonorg.com)).
