

Wildpeak AT3W

All Terrain, Any Weather, Rugged Capability

- Combines off-road ability and rugged terrain driving
- Heat diffuser technology dissipates heat to protect internal tire components
- Rugged and rigid tread blocks enhance vehicle stability and handling

Tout terrain, toute température, capacité rugueuse

- Jumelle l'habileté hors-route et la conduite sur terrain rugueux
- Technologie de diffusion de chaleur protège les composantes internes du pneu
- Les blocs robustes et rigides de la bande de roulement améliorent la stabilité et la maniabilité du véhicule
