Benson Tire operates under the strict guidelines set out in the Fleet HQ operations guide. Fleet HQ replaces Truckwise as the gold standard in the transportation industry.

Annual service tech training and compliance to service standards are audited prior to receiving the Fleet HQ seal of approval.

SERVICE STANDARDS FOR

- Tire Repair
- Training & Certifications

MANAGEMENT STANDARDS FOR

- Air Pressure
- Wheel Retention
- Ride Disturbance
- Tire Performance
- Road Service
- Quality

Only authorized service providers can fly the Fleet HQ Banner, which can be found throughout North America. Benson Tire is proud to offer this level of service, ensuring peace of mind to its fleet operators.

Benson Tire is there, "just waiting to provide cutting edge solutions and support.
