DID YOU KNOW?

As the largest Goodyear Dealer in the Ontario Market, Benson Tire is able to provide solutions to meet the needs of the single broker or largest fleet.

With extensive inventories of Goodyear, Dunlop, Kelly and alternative tire brands, Benson Tire has something for every buyer.

New tires that have served their first life can be recapped adding many extra kilometers to your original purchase. Retreading can be done at one of our 3 state-of-the-art retread facilities. Simply stop by one of our service locations and let them take it from there.

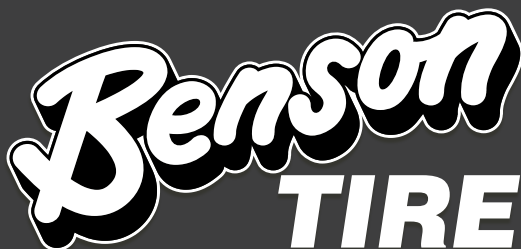

We believe in outstanding service and customer satisfaction. Whether you are an independent broker or fleet operator, you can be reassured that Benson Tire has the solution to all your tire needs or concerns.

Benson Tire has 3 retreading plants in Ontario...in Cornwall, London and Mississauga. Want to see how it's done? Contact one of our locations to book a plant tour.
